Oregon 97812

Jade is a middle aged woman who chose her career over marriage and family. She is unique in her

own way, as different events in her life cause her to have illusions if you may, of sex acts that are happening to her. These sexual illusions happen at all hours of the day, and even interfere with her daily routine. Therefore, it's up to you the reader to decide are these illusions fantasies or reality?

I dedicate this book to  
you the reader.

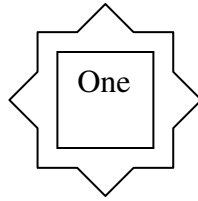

I started writing Jade a  
few years ago, due to a  
thought that hounded me. I  
wrote the first couple  
chapters and tore it up  
because I strongly thought  
who will read this? Are you

really going to want people to know that you wrote this? I was really questioning my reasoning for the book.

Even so I started writing Jade again with the help of my husband giving me encouragement, that I could write this story and that people would read it.

I am also able to say that friends and family all know about Jade and my

struggles with telling this story. They kicked in right along with my husband encouraging me and keeping me going. My Mom even helped edit the book. I am proud of what I have accomplished, and I hope that you enjoy reading Jade

Jade arrives at her law firm and enters the building. She says hi to the door man and explains to the security guard that she will be doing interviews for an assistant today.

She then enters the elevator and arrives at the sixty ninth floor. The entry way is well lit and the decor is much fancier than she cared for, but she let her secretary Sally do the decorating.

Sally greeted Jade with a smile and a cup of coffee and announced that her first interview started in an hour. Jade walked into her

office with a decorative country scene on one wall and a huge fish tank on another. On the third wall, there was ceiling to floor windows.

She set at her desk and kicked off her shoes picking up the file that said Fred McInzly from her desk. She opened the file and begins to read. Fred was a thirty eight year old man. Who

was attending a reputable law school, a college Jade had graduated from.

*She continued to read and there was a knock on the door. The door opened and Fred walked into the room, he stopped just inside the door and introduced himself. He stated that it was very warm in here and began*

*to remove his jacket.  
Instead of sitting in the  
chair offered to him Fred  
walked around Jades  
desk and put his fingers  
through her hair. He lightly  
touched her cheek and  
then bent over and  
kissed her.*

*Jade was uncertain  
what to do, so she  
reached out and grabbed*

*his hand and stood in front of him. He kissed her forehead and the tip of her nose, and then they kissed deeply, tongues deep inside each others mouths.*

*Fred reached up and grabbed Jades head to hold it in a position that was comfortable. While her hands where busy*

*loosening Fred's tie, and unbuttoning his shirt. By this time the back of her leg's where pushed up against her desk, Jade was leaning back onto her desk as he slowly kissed her chin, and neck, while unbuttoning her blouse.*

*Her bra was black and lacy, he nibbled on*

*her nipples threw her  
lacy bra. She leaned  
back and Moaned in  
delight while he  
continued to lightly nibble  
on her nipples. Then he  
reached back and  
undone her bra, with his  
teeth he removed one  
breast at a time from  
under each cup of her  
bra.*

*Jade moaned at the feeling of the air hitting her hardened nipples. Fred slowly lifted up Jades skirt touching her thighs lightly threw her pantyhose. He continued this until his hands rested on her butt cheeks. Then he lifted her and sat her on the desk,*

*and he kissed her  
deeply.*

*He leaned her back  
until she was lying  
across the desk. He then  
sucked on one nipple and  
kissed his way to the  
other he lightly bite her  
nipple then lightly kissed  
his way down her tummy  
to the top of her  
skirt.*

*Jade said something  
but Fred was unsure  
what she said and  
continued lifting her legs  
then set in her chair in  
front of her. He kissed  
her thighs threw her  
nylons and worked his  
way to her hot wet  
pussy, he was excitedly  
happy to find that she  
had no panties on. He*

*could feel her wetness  
and the heat that  
radiated from her pussy.  
His cock was getting so  
hard from her hot juicy  
smell. He grabbed the  
crotch of her nylons with  
his teeth and just  
gnawed at them until he  
ate threw.*

*Jade shivered at the  
touch of his tongue on her*

*clit. He then put his  
fingers threw the gnawed  
hole in her nylons and  
inserted them deeply  
inside her. She was  
moaning and shivering  
all over as he was now  
tonguing her clit and  
finger fucking her deeply.*

*All of a sudden, his  
fingers stopped, he wildly  
tore her nylons out of the*

*way and undone his  
pants, then pulled his  
cock out and with a wild  
groan he rammed it into  
her deeply. Jade  
responded with a deep  
breath and begins to rock  
hard and fast on his  
cock, together they  
became one in rhythmic  
motion, just as they  
where both about*

*to explode.*

Jade heard a knock on the door; her secretary was yelling threw the door Jade your appointment is here, JADE! Before Jade new it, Sally was opening the door to find Jade removing her feet from the desk and quickly buttoning her blouse.

Sally again said, "Mr. McInzly is here are you

ready for your  
appointment”?

Jade told her to give her  
a few minutes then show  
him in. Sally then went out  
to tell Mr. McInzly that Jade  
could see him now.

Fred entered Jades  
office, Jade stood and  
shook his hand while they  
did introductions. Then  
offered him a seat across  
from her, he sat and

seamed very nervous but then who wouldn't be, as he noticed Jades blouse was buttoned crocked. He could feel the tension in her words. Jade asked him a few questions as calmly as she could given the uncompromising circumstances. She ended the interview by telling Fred that she had a few more

interviews to do, and she would give him a call.

Once Fred was gone Jade called in her secretary and told her, "Cancel all my other interviews for the day, And please call Mr. McInzly tomorrow to let him know he got the job. Tell him he can start Tuesday as I have that interview in Orange County Jail on Monday.

If you enjoyed reading this sample of Jade then you want to purchase the book, whether you want it in e-book format or paperback we have it available.
